**to**

**Entertainment Industry Artists**

#### **Note:**

This document is about maintaining an accurate history of what might otherwise be unacknowledged contributions to the entertainment industry by Jonathan D. Steinhoff, irrespective of how this information might impact on the self-interests of various respected entertainment industry artists. Steinhoff's impact is substantial to such a degree, that the absence of Steinhoff's contributions would likely have rendered these listed works/items essentially unrecognizable in comparison to their current form, or even nonexistent. Additionally, it should be noted that there exist numerous other unacknowledged contributions by Steinhoff omitted from this partial listing, many of which are equal in significance to the most important items included here.
